Layne and Chandler Lead Raiders Over Orange 27-13

The Appomattox Raiders got two touchdowns from Bobby Layne, Raider quarterback, and two field goals and three extra points from Jimmy Chandler as they beat the "Hornets" of Orange County last Friday night 27-13 in a non-conference game at Orange. The win upped the Raiders record to 6-1 overall and left them still at 3-1 in the district. Orange saw it record fall to a 2-4-1 mark and it was reported that this was only the eighth time Orange has lost at home in about 20 years.

The Raiders could not move the ball on their first series of downs and had to punt and Orange took over on their own 16. They ran a couple of plays and fumbled and Mike McCormick recovered for the Raiders with good field position. Jimmy Chandler then booted a 23 yard field goal with 7:43 left in the first quarter on fourth down after Appomattox could not move the ball. The Raider defense then forced Orange to punt again and took over on their own four yard line. Three plays later the Raiders found themselves on the scoreboard again as speedy Mike McCormick took a pitchout from quarterback, Bobby Layne on an option play and scored as the result of a 61 yard play. Chandler kicked the extra point with 2:44 left in the quarter as Appomattox took a 10-0 lead. Chandler had a 22 yard run in that drive to get the ball out from near the end zone for the Raiders. After the kickoff and a few plays, the Raiders tough defense then forced another fumble, this time Steve Almond recovered on the Orange 46. The Raiders moved the ball to the 6 and then Chandler kicked another 23 yard field goal to make it 13-0 with 10:58 left in the half. Orange then took the Raiders kickoff and started from their own 35. They made the 65 yard drive and scored from one yard out with Roger Jackson going over with 5:55 left in the half. Charles Sacra kicked the extra point and the half ended 13-7. Tom Wright caught a big 37 yard pass in that drive for Orange and most of the other yardage came on the ground. The Raiders drove to within field goal distance with 1:15 left in the half but the kick was wide.

Orange was forced to punt on their series of downs in the third quarter but got the ball right back when they intercepted a Raider pass. Jackson had the interception and Orange scored with 6:15 left in the third quarter when James Monroe went in from five yards out. The kick for the extra point missed and it was tied 13-13.

Appomattox took a bad kickoff by Orange and had the ball on their own 47 and run the third quarter with the ball on the Orange eight yard line. The Raiders scored with 10:55 left in the game as Bobby Layne sneaked over from two yards out and Chandler kicked the extra point for a 20-13 lead. The score came on the fourth play of the quarter and a fourth down call by Layne. Both teams then exchanged punts the next couple of times they had the ball as the defenses seem to tighten up. The Raiders took the last Orange punt and started on their own 31 yard line. They then drove the 69 yards and Bobby Layne swept the end for the last eight yards and a touchdown with five seconds left in the game. Chandler then made it 27-13 as he booted another extra point.

Mike McCormick was the leading rusher for the Raiders as he gained 101 yards in 18 carries and the touchdown. He caught one pass for 28 yards. Layne and Chandler were pretty even in rushing as Layne gained 78 yards in 15 attempts and Chandler 76 yards on 17 carries. Chandler caught one pass for four yards. Layne only threw eight times, completing three for 69 yards. Randy Foster had the other reception.

The Raiders defense was led by Lee Conner, Billy Guthrie, Robert Thornton and Steve Lawson. Randy Foster, Steve Almond and Dennis Wilkerson also starred in the defensive backfield and from the ends. Almond had a fumble recovery and McCormick did also on the defense and McCormick also threw a couple of key blocks.

The leading ground gainer for the Orange team was Roger Jackson as he gained 61 yards on 17 carries. The other backs were held pretty good by the Raider defense as the quarterback was thrown three times out of the last four times they had the ball on the ground. Thornton, Guthrie and Lawson got to him those times for a total of 33 yards in losses. The Orange defense was headed by Rod Hawkins, John Stanley, Glenn Priddy and Mike Dulin. Roger Jackson had a pass interception.

The Raiders travel to Staunton River on Friday night for another Seminole District contest.

Volleyball Players Set For Sat. Tourney

Appomattox girls, playing excellent volleyball, are getting set for a Saturday tournament at Brookville - Oct. 23 - at 2 p.m. The top four teams in this district will be matched for play, according to ACHS coach Mrs. Louise Martin.

In the meantime, the ACHS girls keep winning! Last Tues., Oct. 11, the local team won against Wm. Campbell, 15-1 and the 2nd game, 15-3. Thurs. they played Rustburg, and in the first game Rustburg girls forged ahead with a 13-4 lead. Appo girls' - about to meet their first defeat of the season - rallied with a terrific team effort and made the final score 16-14. Then they came back to win the second game 15-7.

Games rules call for the winning team to topscore the "best of three games." As of Tuesday, October 19, the ACHS girls have never had to play that third game. They've always won the first two.

Dinner For Two!

Jimmy Chandler (left) and Steve Lawson (right) are players of the week for Appomattox County High School, now holding 6 win-1 loss record for the season. Jimmy, as Back of the Wee, wins a dinner at Maude's for the 2nd time this year. Says Coach Jerry Robinson, "When offense bogged down against Orange County Jimmy's foot gave us 3 points on the board". Jimmy also kicked two field goals to up the final score to 27-13. Steve, co-captain, has made a "remarkable comeback" from knee surgery, according to Coach Robinson, and showed that same desire and determination during the game in containing Orange's inside attack. "His job Friday exemplified the leadership he has given all year," says the coach.

Steve has won the "Most Valuable Lineman" award for two years. Both players are seniors. Friday, they and the other Raiders meet Staunton River (away), followed by Wm. Campbell (away) and Homecoming game here against Altavista.

Letter To The Editor

To the Editor

Congratulations are certainly in order for several of our local business establishments who have shown interest in making our town a better and lovelier place in which to live.

Certainly one of the most noticeable improvements was the cleanup of the wrecked car lot by Mr. C. T. Moses. Credit is also due Kings Market for their new method of trash disposal which has eliminated the unsightly burning of trash behind the store. The fresh coat of paint brightened up the appearance of the Jamerson Bowling Alley. Other businessmen who have helped to improve the appearance of Appomattox are Martin Webb, Fred Lawson and Percy George, with the remodeling of their respective businesses.

This certainly proves that there are concerned citizens in our community. May we all take notice and follow suit.

Sincerely,

Members of Delta Zeta Chapter Beta Sigma Phi

Home Offered At Auction

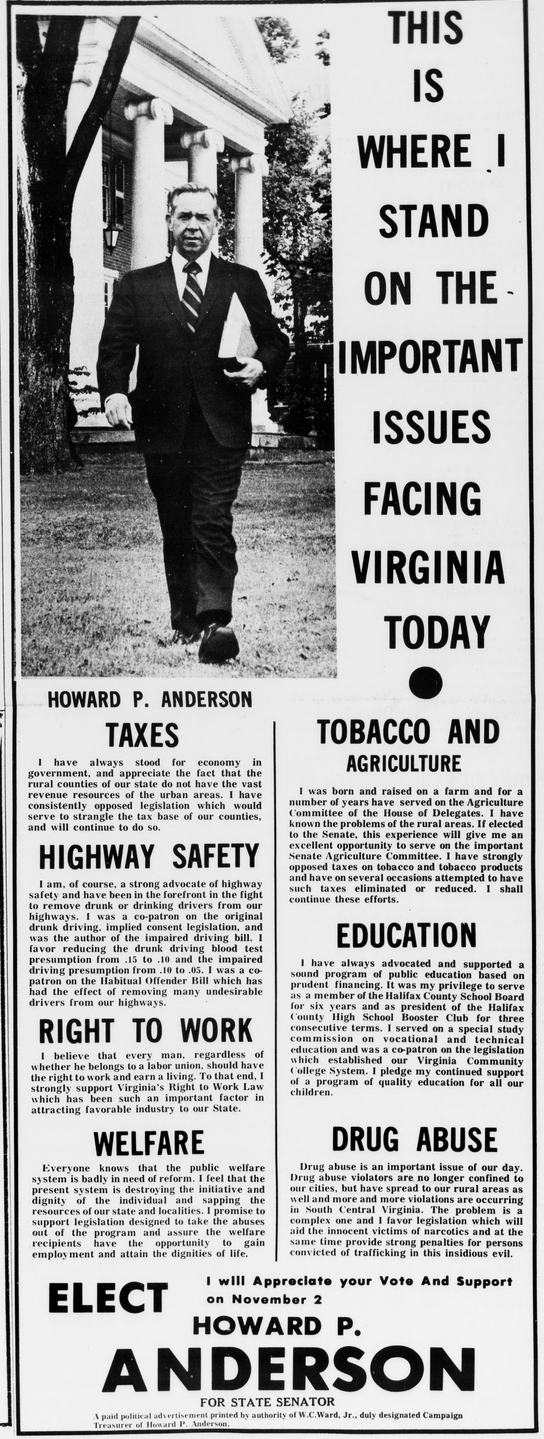
A three - bedroom brick ranch-type home with bath and half, full basement and two fireplaces plus about two acres of land will be offered at auction on Sat., Oct. 23 at 2 p.m.

Located at Spout Spring, the home is being offered by the C. I. Johnson and Levonna Johnson estate through Catlett Bros. Auction Service, Lynchburg.

Household items and furniture will be sold beginning at 11 a.m. Personal property being offered includes coppertone appliances, reclining chairs, hide-a-bed sofa, stereo console with 1,000 records, Italian glassware, French Provincial bedroom furniture, outdoor decorating lights, flood lights and many other items.

HD CLUB TO MEET TUESDAY

The Appomattox Home Demonstration Club will meet on Tuesday, Oct. 26 at the home of Mrs. Schuyler Marshall. Meeting time: 10:30 a.m. The meeting was changed to the 26th because of the Presbyterian Women's District meeting held on Oct. 19 in Appomattox.



THIS IS WHERE I STAND ON THE IMPORTANT ISSUES FACING VIRGINIA TODAY

HOWARD P. ANDERSON

TOBACCO AND AGRICULTURE

I was born and raised on a farm and for a number of years have served on the Agriculture Committee of the House of Delegates. I have known the problems of the rural areas. If elected to the Senate, this experience will give me an excellent opportunity to serve on the important Senate Agriculture Committee. I have strongly opposed taxes on tobacco and tobacco products and have on several occasions attempted to have such taxes eliminated or reduced. I shall continue these efforts.

TAXES

I have always stood for economy in government, and appreciate the fact that the rural counties of our state do not have the vast revenue resources of the urban areas. I have consistently opposed legislation which would serve to strangle the tax base of our counties, and will continue to do so.

HIGHWAY SAFETY

I am, of course, a strong advocate of highway safety and have been in the forefront in the fight to remove drunk or drinking drivers from our highways. I was a co-patron on the original drunk driving, implied consent legislation, and was the author of the impaired driving bill. I favor reducing the drunk driving blood test presumption from .15 to .10 and the impaired driving presumption from .10 to .05. I was a co-patron on the Habitual Offender Bill which has had the effect of removing many undesirable drivers from our highways.

RIGHT TO WORK

I believe that every man, regardless of whether he belongs to a labor union, should have the right to work and earn a living. To that end, I strongly support Virginia's Right to Work Law which has been such an important factor in attracting favorable industry to our State.

WELFARE

Everyone knows that the public welfare system is badly in need of reform. I feel that the present system is destroying the initiative and dignity of the individual and sapping the resources of our state and localities. I promise to support legislation designed to take the abuses out of the program and assure the welfare recipients have the opportunity to gain employment and attain the dignities of life.

EDUCATION

I have always advocated and supported a sound program of public education based on prudent financing. It was my privilege to serve as a member of the Halifax County School Board for six years and as president of the Halifax County High School Booster Club for three consecutive terms. I served on a special study commission on vocational and technical education and was a co-patron on the legislation which established our Virginia Community College System. I pledge my continued support of a program of quality education for all our children.

DRUG ABUSE

Drug abuse is an important issue of our day. Drug abuse violators are no longer confined to our cities, but have spread to our rural areas as well and more and more violations are occurring in South Central Virginia. The problem is a complex one and I favor legislation which will aid the innocent victims of narcotics and at the same time provide strong penalties for persons convicted of trafficking in this insidious evil.

ELECT
I will Appreciate your Vote And Support on November 2
HOWARD P.
ANDERSON
FOR STATE SENATOR

A paid political advertisement printed by authority of W.C.Ward, Jr., duly designated Campaign Treasurer of Howard P. Anderson.
